SUMMARY ABOUT ME

My name is Ece Özvarol, and I am a 3rd-year Pharmacy student. During my education, I have actively participated in various volunteer activities that helped me improve myself both personally and professionally. These experiences allowed me to develop important skills such as teamwork, communication, and responsibility, while also giving me the chance to contribute to the community. Through these opportunities, I realized that I want to pursue a career in the pharmaceutical industry. I am motivated to continue improving myself and gaining knowledge to become a successful pharmacist in this field.
