EDUCATION

Yıldız Technical University

B.A. in Economics (English)

Sep 2023 – Present

WORK EXPERIENCE

Partnerships and Channels | Spark Connect

June 2023 – Present

E-Mobility Super App

- Spearheaded the end-to-end partnership lifecycle—from identifying and acquiring new strategic partners to managing ongoing channel relationships and driving mutual growth.
- Managed technopark and startup incubation center operations, maximizing ecosystem opportunities and supporting the venture's strategic growth initiatives.
- Collaborated on social media strategies, supporting the creation of partner-focused content and campaigns to enhance brand visibility and user engagement.

Business Development Intern | Co Print 3D

Jan 2025 – Mar 2025

Multi-Color 3D Printing Technologies

- Produced user-centric blogs and educational content for the 3D printing ecosystem, driving community engagement and facilitating technical knowledge sharing.

Co-founder | The Startcast

2022-2025

Entrepreneurship Podcast

- Hosted and moderated an engaging podcast series documenting the startup journey from the ideation phase, sharing transparent entrepreneurial insights with the audience.
- Managed end-to-end podcast production workflows, single-handedly executing audio editing, sound mixing, and publication processes.
- Organized and facilitated entrepreneurship events under The Startcast brand, fostering community networking and expanding the initiative's overall reach.

Co-founder and CMO | GarageCoin

2021-2022

Cryptocurrency & Web3 Initiative

- Co-founded a youth-led cryptocurrency project, shaping the overarching marketing strategy and co-authoring the project's foundational white paper.
- Spearheaded end-to-end social media operations and visual design processes, successfully building and engaging a digital community.
- Drove the project's expansion by establishing strategic partnerships, launching various sub-projects, and organizing community events to foster ecosystem growth.

Intern | Avokadio

2021-2022

Health Tech Startup

- Contributed to business development processes before transitioning to UI/UX design, where I focused on creating user-centered and accessible interfaces for health technologies.

PROGRAMS & CERTIFICATIONS

Challenger | Turkish Entrepreneurship Foundation (GİRVAK)

Oct 2025 – May 2026

- Selected as one of ~60 participants out of more than 160,000 applicants for this highly selective, 8-month program organized by the pioneering foundation of Turkey's entrepreneurship ecosystem.
- Engaged with startup ecosystem leaders, focusing on networking, developing an entrepreneurial mindset, and contributing to the ecosystem culture.

Participant | Future IM/Pact | Investment Management Virtual Internship Program

2022

- Completed a specialized virtual internship focused on investment management, gaining practical exposure to financial analysis, market research, and portfolio strategy.

Certificate Program | Università Bocconi | Private Equity and Venture Capital

2021

- Completed comprehensive coursework focusing on startup financing, company valuation methodologies, and the end-to-end PE/VC investment lifecycle.

CAMPUS & VOLUNTEER ACTIVITIES

Content Creator & Video Editor | Yeni Nesil Kafası

Jun 2025 – Jun 2026

- Produced digital content and executed video editing processes for social media platforms, contributing to the community's online presence and storytelling.

Volunteer Trainer & Mentor | Teens in Innovation**Nov 2020– Present**

- Delivered entrepreneurship workshops covering topics such as the Business Model Canvas and pitching to students across a wide range of high schools, from Robert College to regional schools in Gölcük.
- Mentored student teams during various ideathons, guiding them in developing their startup ideas and refining their business models.

Founder & President, Entrepreneurship Club | Şükrü Şankaya Anadolu Lisesi**2021 -2022**

- Spearheaded the establishment of the school's Entrepreneurship Club and managed all its activities and operations as President.
- Pioneered and led the organization of Bursa's first-ever inter-high school Ideathon, driving entrepreneurial engagement among students across the region.
